Dear Sir:

This amendment is in response to the Patent and Trademark Office Action of February 24, 2004. Applicants respectfully traverse the rejection of claims 1-3, 5-7, 9-14, 16-18 and 20-24. However, in response to the Examiner's comments under allowable subject matter, Applicants have provided claim amendments and remarks below. Applicants also have amended claims to correct typographical errors. Applicants also submit a terminal disclaimer in response to the obviousness-type double patenting rejection over copending Application No. 09/507,484. Applicants respectfully submit that claims 1-3, 5-14, and 16-24 are allowable and request notice of allowance to this effect.

Amendments to the claims are reflected in the listing of the claims that begins on page 2 of this paper.

Remarks/Arguments begin on page 15 of this paper.
